Project background

In 2020 project NY has launched to increase brand awareness and presence in the potential market, but not simple re-launch of the brand in the market.

Considering high cost in NYC, profitability is a key for the project. We targeted to establish brand new business model, which generate Omni Channel sales and profit through the store activity.

Brand Awareness

- **Open up relationship with younger generation by digital drive (incl.SNS)**

Brand Presence

- **Customer retention by Showrooming and reinforced customer experience**

Business Model

- **Less stock, Omni link**
- **Traveler awareness increase**

STORE CONCEPT

In the post Covid world, the store targets to work as bridge between physical store experience and digital information.
